WORD OF GOD FOR THIS SUNDAY – Our American culture places great importance on the value of being or appearing young. But in the long run, everybody knows that youth as life itself, cannot be bought. In today's Gospel, Jesus freely offers a bread and life that will never grow old – a life filled with the Holy Spirit, a life which gives thanks and praise to God, a life which conquers death. This is God given life which we remember in the Mass where through the Eucharist we become one with Christ. Thus the Eucharist becomes for us the beginning and the preview of eternal life.

- BOŽJA BESEDA DANAŠNJE NEDELJE -

Ameriška kultura izredno ceni mladost in videz mladostnosti. Vsi vemo, da mladosti kot življenja samega ni mogoče kupiti. V današnjem evangeliju Jezus prosto nudi kruh in življenje, ki se nikoli ne postara – življenje napolnjeno s Svetim duhom, življenje, ki hvali in slavi Boga, življenje ki je premagalo smrt. To je od Boga dano življenje, ki se ga spominjamo pri maši, kjer s prejemom Evharistije postanemo eno s Kristusom. Tako postane Evharistija za nas začetek in pogled v večno življenje.
